Session and consent

I confirm I am 18 or older and voluntarily agree to model for the session identified above, within the attire, draping, and boundaries agreed with the organizer. I allow participants to make hand-rendered studies of my poses for the in-room drawing activity. I can decline or change a pose, request a break, or stop modeling. The organizer and I will discuss any changes before continuing.

Photography and other recording

This form gives no permission for photographs, videos, audio, livestreaming, or other recording. Any proposed recording requires separate, specific written permission from the model and approval from the organizer.

Public use of resulting artwork

Any permission granted here applies only to the artwork and uses specifically described below. If the line is blank, this form grants no permission to post, exhibit, sell, or use recognizable studies of the model for promotion. The organizer will explain the agreed limits to participants before the session.

Optional public-use permission: identify the artwork, permitted uses, and any limits

By signing, we confirm the arrangements above. Keep a copy with the session record.
